

Norcliffe Chapel Parking for attendees at services

Whilst attending services at Norcliffe Chapel, there are limited parking spaces for you to use in the half of the village car park closest to Altrincham Road.

Please see the diagram below:

The other half of the car park is for village tenants only and they have designated parking spaces. Please help us to respect our tenant's homes by not parking in these spaces. Thank you.

If there are no spaces left for you to use in the village car park, please feel free to park in the main National Trust Quarry bank car park, which is free of charge and located just off Styal Road.
